

Genome and epigenome hacking with CRISPR-Cas9

Lunch workshop. September 28 2017, 1PM

**Claudio Mussolino, Ralf Kuehn,
Benoit Giquel (addgene)**

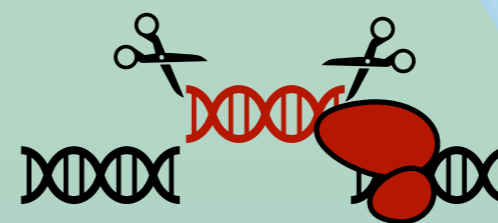

What you always wanted to
know about CRISPR and
never dared to ask

How addgene can speed up
your CRISPR expeditions

Ralf Kuehn

Knocking them in and out -
gene hacking with
CRISPR-Cas9

Claudio Mussolino

Turning them off and on -
epigenome hacking with CRISPR-Cas9
